### 1. Message from WKO President

Dear Branch Chiefs and Contacts,

Time flies quickly, and this will be the last newsletter for the year. Although you may be busy with year-end activities, I hope that all of you are doing fine in your country and region.

Last month, we held the 12<sup>th</sup> World Open Karate Championship, and at the venue packed to full capacity, the 204 strong competitors selected from 101 countries and areas around the world, represented their country and region with honor and carried out spectacular battles. Yuji Shimamoto won the men's category, and Juri Minamihara won the women's category. Especially for Shimamoto, this was his second consecutive victory, a remarkable feat in world history. I wish to express my sincere congratulations and respect towards their continuous effort that enabled them to win the world title. Congratulations on your victory. Thank you to all competitors that demonstrated the result of their hard training in the great battles. You did your best and you touched our hearts.

I wish to express my sincere appreciation towards the referee team led by Tournament Head Judge Kobayashi, for their referee work at the world's highest-level tournament. To determine the damage of the competitors in the exchange of high-speed techniques, while recognizing the difference between effective attacks and hansoku, and to make a quick decision of superiority/inferiority while being watched by the large audience, is an extremely difficult task. Each and every decision, demonstrate the result of the hard training and preparation by the competitors, so this is a heavy responsibility. The tournament can be organized, because of the referees that are willing to accept such hard task and responsibility. Thank you to all referees for the execution of this hard work.

I would also like to express my deep appreciation towards our sponsors and related people for their kind effort and support in the organization of the event. For this tournament, there was a

wish to have the competitors fight in front of a full audience, receive warm encouragement from the supporters, and to have their great performance promoted around the world. With such ideas, we took part in new challenges, and were blessed with many spectators at the tournament, thanks to the kind advice and support from the related people. For the competitors, I would like for all to understand how the high-level tournament was prepared and built by the related people, and with a feeling of appreciation and happiness, continue their training and further development.

The tournament was a good opportunity to reunite with the Branch Chiefs and Contacts from around the world. There was a wish for all to have a good rest from their long journey, and to enjoy precious moments with friends and comrades connected by their beloved Karate. To eat delicious and warm food, enjoy convenient accommodation and transportation, build great memories full of smiles, and deepen the bond between each other. With such ideas, we did the best in our preparation work, and I hope that everything was ok.

Throughout the period, we combined our efforts toward the further development of WKO, and in the meetings and seminar held during the series of events, I felt our evolution as the strongest and largest Full Contact Karate organization in the world. WKO is an organization that we build on our own, and the cooperation between each other, form a circle of friendship and smiles. Let us continue to further develop WKO in strong unity.

The 1<sup>st</sup> WFKO World Championship will be held in May 2020. Let us join hands, and make use of each moment of each day to train hard and prepare well, so that WKO can achieve victory at the unified tournament for the Full Contact Karate world.

For the Branch Chiefs and Contacts around the world, please take good care of your health, so that we can enjoy a fruitful and wealthy Karate life together. In closing, I would like to express my sincere appreciation towards the kind cooperation from all of you throughout the year. Thank you for your support, and I wish you a Merry Christmas and a Happy New Year.

### ③. Various Forms

The WKO Office would like Branch Chiefs and Contacts to use the designated form when they contact us. We have:

- Order and Payment Form (for payment of grading fees, annual fees, membership fees)
- WKO Official Invitation Letter Form (for inviting Japanese instructors)
- Request Form for Invitation Letter (for whom needs Visa to enter Japan)
- Application Form for a Candidate of new Branch Chief & Contact

Although we understand that some Branches/Countries have their own method, the forms helped us to do administrative work efficiently, and we appreciate your kind understanding.

### ④. Invitation of Japanese Instructors

The WKO office receives numerous invitations for Japanese instructors every year. Standard

---

procedure calls for the Official Invitation Letter to be sent to the WKO Office with the necessary information filled in. The invitation becomes official only when the letter arrives at the WKO Office. Please refrain from direct negotiations with Japanese instructors, for it will only lead to problems in the future. Finally, we would like for all to understand that an agreement based on direct negotiations will not be considered an official invitation.

### ⑤. Acceptance of Students from Overseas Branches

Every year, numerous students from overseas branches visit Japan for the purpose of training. When a student wishes to visit Japan for training, standard procedure calls for the Branch Chief or Contact (who the student belongs to) to contact the WKO Office of the ideal time frame, dojo, and detailed information (name, dan/kyu, age, etc.) of the student. The WKO Office will confirm the content of the request with the Branch Chief/Contact of the dojo in Japan. In a case where an overseas student goes forth with his/her training in Japan without consulting the WKO Office, it would delay the response time of the WKO Office if an emergency happened to occur. To assure the safety of the students, we ask for everyone's cooperation in this matter.

### ⑥. Centralization of communication between Overseas Branches

It is required that communication (related to events within the organization) between Overseas Branches and Japanese Branch Chiefs & Contacts be exchanged through the WKO Office. Translation of documents (Japanese⇔English) will also be managed by the WKO Office. In order to avoid any unnecessary problems and confusion, we ask for everyone's cooperation in the centralization of communication between overseas branches.

### 13. Current Status on Payment of Annual Fees as of December 20, 2019

---

Please confirm the attached list.

## **General Information of WKO Payments and Services**

### **1. Annual Fee**

- Branch Chiefs/Contacts are to report the number of members at the end of December, by the end of January of the following year, and make the actual Annual Fee payment by the end of March. For example, report the number of members (as of the end of December 2019) by the end of January 2020, and make the actual payment by the end of March 2019.
- The payment should be based on the reported number of students, and the unit (USD\$1~USD\$4) of choice. The Japan Region (JKO) and several other countries pay USD\$5 per member, as a sign of their wish to contribute to WKO. For branches/dojos that have less than 100 members, the minimum payment is USD\$100. In any case, the order and payment form with the breakdown of the payment needs to be sent to WKO.
- High contributions in the Annual Fee, either due to a high number of members or a high unit rate, will be taken into consideration when deciding the allocation of competitors for the World Open Karate Championship.
- WKO will not accept any black belt & certificate orders, or invitations for Japanese instructors, from Branch Chiefs/Contacts that have not made their Annual Fee payments. The calendar and power map sent in December of every year, is only for those who have fulfilled their Annual Fee duties by the specified deadline.

### **2. Black Belt and Certificate**

In line with the WKO Regulations, Branch Chiefs/Contacts can make a black belt and certificate order (with the order and payment form), based on the following rate. \*This new rate was approved at the WKO Board Meeting which was held on November 7, 2019.

1<sup>st</sup> Dan-USD\$200

2<sup>nd</sup> Dan-USD\$250

3<sup>rd</sup> Dan-USD\$300

4<sup>th</sup> Dan-USD\$350

5<sup>th</sup> Dan-USD\$400

\*And so on, an additional USD\$50 for each extra Dan.

- The standard is for Branch Chiefs/Contacts to send 2 printed photos of each person by airmail to WKO, with the name of the person written on the back of the photo. Please also take extra care to cut the photos neatly, and send them in a secure manner, to avoid any damage (due to rain, etc.) during its delivery.
- For unique cases, such as the issuance of WKO belts and certificates based on the recognition of grades from other major Kyokushin organizations, or an order for a second belt (due to theft or wish for extra belt), please contact WKO for details.

#### **Thicker Belt (+USD\$10)**

WKO will be able to accept orders for a thicker belt for an extra USD\$10, if such content is requested

by the Branch Chief/Contact, for this is what ISAMI charges for such measure. For example, a 1st Dan order with a thicker belt, will cost USD\$200 + USD\$10 (extra charge) = USD\$210.

#### Full Name Embroidery (+USD\$20)

Since ISAMI charges for each letter embroidered on the belt, for requests to have the full name embroidered in Japanese Katakana, such request will cost an extra USD\$20 for each belt.

\*The standard followed for WKO, is for the first name (and/or middle name) to be in initials, and the family name to be in Japanese Katakana

#### Printing of Photos (+USD\$10)

WKO will accept the printing of photos for certificates, as long as the proper file (JPEG format) is sent by e-mail. The extra cost for this service will be USD\$10 per person, for the costs, labor, and time necessary to arrange and print the photos.

#### Reissuing of Certificates (+USD\$15)

For those who have lost their grading certificate, as long as the certificate copy is presented, WKO will be able to reissue the certificate for USD\$15 + delivery fee. Please note that an R will be included in front of the issue number, to present a difference from the original, and photos for the certificate will need to be sent to WKO by airmail. The same applies for Branch Chiefs with IKO Branch Chief certificates issued in the pre-WKO period, who wish to have them reissued with the WKO name and mark.

### **3. Invitation of Japanese Instructors**

- Branch Chiefs/Contacts that wish to invite Japanese instructors, need to send the official invitation form to WKO, so that the content can be confirmed by the JKO Board and the invited instructor for final confirmation.

- In principle, there is no special charge/compensation necessary to invite Japanese instructors, as long as the necessary travel expenses (economy class air ticket, accommodation, meals, etc.) are covered by the organizer. Please also confirm that the domestic transportation costs (to and from airport in Japan, including any necessary accommodation close to the airport, visa application fee), and extra costs to secure aisle seats will also need to be covered by the organizer.

- Invitations for high profile instructors, such as President Midori, World Champions such as Branch Chief Tsukamoto, Suzuki, Tsukagoshi, Shimamoto, and other popular instructors, should arrive well in advance (at least 6 months before the invitation period), for it is difficult to secure their schedule on short notice. Please also confirm that the standard to invite the WKO President is a business class air ticket.

- The content presented to us based on the result of direct negotiations (in person, or through personal messages) is unofficial, and will not guarantee anything definite in securing the invitation.

### **4. Visit to Japan**

- Please contact WKO of details regarding visits to Japan by Branch Chiefs/Contacts or their students, and if there is any wish to train in JKO dojos during their stay, please inform WKO accordingly, for further coordination of the matter with the relevant dojos.

- In principle, people that wish to train are required to follow the rules and manners of each dojo, be on time for trainings, prepare their own water and towel, and respect the other members training in the dojo. They must have a well-balanced understanding of their own level in respect to others, and make efforts to preserve a harmonious training environment.

- Visa support is provided free of charge for Branch Chiefs/Contacts, competitors of the World Championship/All Japan Championship, and Karate Dream Festival. Those who do not fit such criteria, will be charged 8,800 yen for the service, and for each additional person, an extra 1,100 yen will be necessary. \*For example, for a group of 4 people, 8,800 yen + 3,300 yen (1,100 yen X 3 people) = 12,100 yen

## **5. Purchase of Items**

- Branch Chiefs/Contacts can contact WKO and order official items, such as the Kata DVD (11,000 yen), the Kokoro mark pin (to put on suit collar, 1,100 yen), the shirt (9,440 yen), belt (6,600 yen), bow tie (yellow or white, 3,300 yen), chest patch (1,780 yen) for referees, t-shirts, towels, bags, and other items. The total price will need to include the delivery fee, which will depend on the overall weight of the package.

- The referee chest patch can be purchased via the WKO Headquarters. The obtaining of this item had been limited to direct purchase from WKO, but in consideration of the rise in demand due to diverse regional activities, we authorize the domestic production (it is required that the item can be produced at a similar quality with the official item, without altering the form of the embroidered letters and mark/no prior application necessary), as is the case with dogis. WKO will not provide any detailed product design or assistance, so if there is a need to obtain a sample to consider the domestic production, please contact WKO to purchase the item. On the other hand, if there is no guarantee that the item can be produced at the same quality as the official item, please contact WKO and purchase the official item (made in Japan).

- Annual subscription of the Karate Life magazine is available for 8,500 yen (6 magazines, by airmail), or 11,000 yen (6 magazines, by registered airmail).

- Those who wish to purchase items from ISAMI and Martial World Japan (MWJ), are requested to contact the following persons directly.

Ms. Yuko Haysaki (ISAMI): yuko@isami.co.jp

Mr. Takashi Kido (MWJ): kido@mwjapan.jp

## **6. Others**

- Please confirm the following agreement WKO has with Mr. Koji Kakinuma, the artist who has written the Shinkyokushinkai, Osu, Karate, and Budo kanji calligraphy for the organization.

1. When using the calligraphy, the original image should not be altered (changing the vertical image to a horizontal, or cutting the image into individual kanji, etc.) in any way. For the Osu, Karate, and Budo, the unique mark (seal) also must be included, without any changes in its location within the image.

2. When using the Osu, Karate, and Budo calligraphy for t-shirts and items (excluding tournament

pamphlets) for sale, prior notification and approval from WKO Headquarters is necessary, along with a royalty fee (2% of cost of product), which must be paid collectively (for the total numbers of items produced). For use of the Osu, Karate, and Budo calligraphy for items not for sale (such as staff t-shirts), prior notification and approval from WKO Headquarters is necessary, but without any royalty fee. However, if it becomes evident at a later timing, that the prior notification was inaccurate (the items were indeed for sale), then the royalty payment will need to be paid accordingly.

3. For use of the calligraphy designs by Mr. Kakinuma on printed matter, such as tournament pamphlets, flyers, and posters, the content presented in 2 does not apply.
