# 1. Message from WKO President

Dear Branch Chiefs and Contacts,

Thank you for your continuous support towards WKO.

It has been two and a half months since the previous Newsletter. In this period, due to the worldwide spread of the coronavirus (COVID-19), various countries and regions have carried out government-led measures to prevent further infection, and as WKO, we have done our best in our compliance efforts by canceling or postponing major tournaments, and closing dojos. I hope that you are in good health in your country and region.

In Japan, the state of emergency announced by the government was lifted, and we are trying to rebuild our daily lives, one step at a time. In the current situation, where efforts are being made by the related people to develop the vaccine, we are doing our best in our realistic approach to coexist with this unknown virus, by adjusting our lifestyle to prevent infection, and preparing ourselves for a possible second wave. I have received reports that the virus is spreading rapidly in southern hemisphere countries like Brazil, where people will soon face winter. I wish for the health, safety, and wellbeing of our important friends, and sincerely hope for the closure of this worldwide problem in the very near future. Please continue to take care and stay safe.

Even in this difficult situation, due to the advancements in social media, I was able to enjoy the images of the trainings held online, outside, at home, and the efforts to hold the online Kata competition. On May 30, I was invited to the Europe Region meeting held online, and it was a good opportunity to exchange viewpoints with the Branch Chiefs in the region. More than anything, it was a relief to see everyone's face, and hear their voices, despite the great distance between us. It was a good opportunity to reconfirm that the warm connection between family and friends is a great source of comfort for the heart and mind in times of uncertainty. Although it was a short amount of time, thank you for inviting me to participate in the meeting. I was also invited to the Asia Region meeting, but the timing of their online gathering did not fit my schedule, so it was not realized. I hope that there will be another opportunity for us to meet and discuss topics online.

# Monthly Newsletter World Karate Organization

To do our best, regardless of the situation and timing. To maintain our approach to pursue the best scenario. As budoka, it is important for us to continue our path towards a firm unshaking spirit, as presented in the dojo oath, especially in this uncertain situation against an unknown opponent. For the competitors that are preparing themselves for the next competition, please understand that the training you are building up now, will strongly influence your result at the upcoming battle, and I sincerely hope that you will use each moment of each day to motivate yourselves. Let us do our best with a positive mind.

Lastly, I believe that the branches and dojos around the world have sustained a substantial level of financial damage due to the worldwide spread of the coronavirus. In order to ease such situation, I would like to announce the exemption of the WKO annual fee for Fiscal Year 2020, and for such amount to be set aside for the activities of the branch and dojo. The income from this annual fee is approximately 20 million yen, but this exemption was discussed and approved by the WKO Board Members representing the various regions. The annual fee is a contribution that is made from your daily activities around the world. In this situation with the coronavirus, it is best if the amount can be utilized to assist your financial loss due to the problem.

WKO is our organization. WKO is supported by the efforts of the Branch Chiefs and Contacts around the world. Especially in this difficult time, I would like to express my appreciation towards your cooperation and support. My sincere thanks to all of you. Let us continue our movement forward, in strong unity with our comrades around the world.

OSU Kenji Midori WKO President

## 2. Activities of Japanese Instructors & PR (from June 2020 omit titles from names)

| Date     |   |      | Member          | Place  | Purpose |
|----------|---|------|-----------------|--------|---------|
| 2020/9/9 | ~ | 9/15 | Kumiko Sunakawa | Norway | Comp    |
| 20201313 |   | 3/13 | Mitsuhiro Izumi | Norway | Camp    |

#### 3. Postponement of tournaments

As announced on the website and social media, and through e-mails, it was decided to postpone the 1st WFKO World Championship to May 2021, and the 7th World Karate Championship in Weight Categories (Kielce, Poland) to 2022, due to the current international situation with the coronavirus. Further details, including the new dates, will be announced again at the appropriate timing.

#### 4. Annual fee exemption for Fiscal Year 2020

As a measure to counter the financial effects of the coronavirus around the world, the WKO Board has decided to exempt the annual fee for Fiscal Year 2020 (April 2020 to March 2021). For details, please confirm the following.

# Monthly Newsletter World Karate Organization

- 1. The annual fee for Fiscal Year 2020 (April 2020 to March 2021), is the annual fee 2021. This payment is going to be exempted for WKO as a whole.
- 2. The annual fee 2020 that needed to be paid in Fiscal Year 2019 (April 2019 to March 2020), by the deadline of March 2020, is still necessary, and for those who have not made the payment due to the coronavirus situation, WKO is willing to wait until the convenient timing for payment. However, this does not mean that Branch Chiefs/Contacts can prioritize belt orders and other payments over the unpaid annual fee. The annual fee still remains the basic duty and highest priority for Branch Chiefs/Contacts.
- 3. Due to this measure, all prepaid amounts for the annual fee 2021, will be switched over to the annual fee 2022, so that there is no contradiction in the payment records.

We are fully aware that this measure may be confusing for some members, and please do not hesitate to contact us for further clarification if necessary.

Although we understand that some Branches/Countries have their own method, the forms

# Monthly Newsletter World Karate Organization

helped us to do administrative work efficiently, and we appreciate your kind understanding.

### 4. Invitation of Japanese Instructors

The WKO office receives numerous invitations for Japanese instructors every year. Standard procedure calls for the Official Invitation Letter to be sent to the WKO Office with the necessary information filled in. The invitation becomes official only when the letter arrives at the WKO Office. Please refrain from direct negotiations with Japanese instructors, for it will only lead to problems in the future. Finally, we would like for all to understand that an agreement based on direct negotiations will not be considered an official invitation.

### (5). Acceptance of Students from Overseas Branches

Every year, numerous students from overseas branches visit Japan for the purpose of training. When a student wishes to visit Japan for training, standard procedure calls for the Branch Chief or Contact (who the student belongs to) to contact the WKO Office of the ideal time frame, dojo, and detailed information (name, dan/kyu, age, etc.) of the student. The WKO Office will confirm the content of the request with the Branch Chief/Contact of the dojo in Japan. In a case where an overseas student goes forth with his/her training in Japan without consulting the WKO Office, it would delay the response time of the WKO Office if an emergency happened to occur. To assure the safety of the students, we ask for everyone's cooperation in this matter.

#### 6. Centralization of communication between Overseas Branches

It is required that communication (related to events within the organization) between Overseas Branches and Japanese Branch Chiefs & Contacts be exchanged through the WKO Office. Translation of documents (Japanese English) will also be managed by the WKO Office. In order to avoid any unnecessary problems and confusion, we ask for everyone's cooperation in the centralization of communication between overseas branches.
