1. Message from WKO President

Dear Branch Chiefs and Contacts,

Thank you for your continuous cooperation towards the further development of WKO. In Japan, the fresh green leaves and soft spring breeze have brought to us a pleasant season. I hope that you are carrying out your activities in your country in good health and spirit.

The 12th World Open Karate Championship, the biggest event for WKO, is only several months away, and I am aware that the selection tournaments are actively being held in each country and region. For Japan, the results of the 5th JFKO Championship that will be held on May 18-19 in Osaka, will determine the last selection of competitors for the Japan National Team.

I recently attended the European Championship 2019, due to a kind invitation from Shihan Romas Vitkauskas of Lithuania. I was happy to meet the Branch Chiefs & Contacts and competitors again, and I felt like I was reunited with my family. The tournament was well-organized by Branch Chief Romas and related members of the host country, and I was impressed by the deep appreciation demonstrated by the competitors, for being able to compete on such a great stage to decide the No.1 competitor in Europe. The competition level was high, and the performance of the next generation was very promising. Although there were moments where the next generation surprised the top-class competitors, the experienced veterans such as Valeri Dimitrov, Maciej Mazur, and Edgard Secinski demonstrated their deep potential and strong determination in their victories. I also noticed a competitor with the potential to reach the final rounds of the World Championship. Although there is a difference between winning and losing, I would like to express my sincere respect towards all who competed and did their best to become the No.1 competitor in Europe. At the same time, for the competitors who earned a place to represent their country and region at the World Championship, I sincerely hope that you will train hard and prepare yourself thoroughly, so that you can face the big event in your best condition ever.

In addition, during the European Championship, we had a discussion related to the regional selection tournaments for the World Fullcontact Karate Championship in 2020. This meeting was organized due to the initiative of EKO President Koen Scharrenberg, and we were able to

hold a fruitful discussion, and openly exchange ideas and viewpoints regarding the necessary cooperation between the Full Contact Karate organizations in the region. Since this is the first World Championship for the Full Contact Karate world, it is important to provide an equal opportunity for all organizations to participate in the regional selection tournaments. Since WKO is expected to play the leading role to unify Full Contact Karate in the world, I sincerely request for not only Europe, but for all regions to do their best in their cooperation for the united front of Full Contact. I sincerely appreciate the warm hospitality I received from Branch Chief Romas, officials, staff, and related members of the host country, and due to such kindness, I was able to enjoy my fruitful trip to Europe.

In the previous Newsletter, I reported the situation of Branch Chief Kunihiro Suzuki and his battle to fight the disease. The kind messages of encouragement received from around the world is very much appreciated. Although the treatment is expected to take some time, I have received reports that it is going smoothly and well. I am confident that he will overcome this battle, with his great mental strength that helped him win the World Championship, and the warm support from around the world. Thank you for your kindness.

Lastly, by chance, this Newsletter is being sent on April 26, the anniversary of the death of Sosai Masutatsu Oyama, the founder of Kyokushin Karate. It has been 25 years since he passed away. During this time, we experienced a large split in the organization, and afterwards, further fragmentation. In recent years, with the establishment of the Japan Fullcontact Karate Organization as an opportunity, the momentum towards unification has intensified, and now, the trend is for various Kyokushin organizations to cooperate and work together in the name of Full Contact Karate. I strongly wish to guide the World Fullcontact Karate Championship to great success, realize the united front of Full Contact Karate at the world level, and report such results to Sosai Oyama at his grave.

I sincerely request for your cooperation towards the further development of WKO, so that we can continue to join hands and demonstrate leadership for Full Contact Karate.

OSU

Kenji Midori

WKO President

③. Various Forms

The WKO Office would like Branch Chiefs and Contacts to use the designated form when they contact us. We have:

- Order and Payment Form (for payment of grading fees, annual fees, membership fees)
- WKO Official Invitation Letter Form (for inviting Japanese instructors)
- Request Form for Invitation Letter (for whom needs Visa to enter Japan)
- Application Form for a Candidate of new Branch Chief & Contact

Although we understand that some Branches/Countries have their own method, the forms helped us to do administrative work efficiently, and we appreciate your kind understanding.

④. Invitation of Japanese Instructors

The WKO office receives numerous invitations for Japanese instructors every year. Standard procedure calls for the Official Invitation Letter to be sent to the WKO Office with the necessary information filled in. The invitation becomes official only when the letter arrives at the WKO Office. Please refrain from direct negotiations with Japanese instructors, for it will only lead to problems in the future. Finally, we would like for all to understand that an agreement based on direct negotiations will not be considered an official invitation.

⑤. Acceptance of Students from Overseas Branches

Every year, numerous students from overseas branches visit Japan for the purpose of training. When a student wishes to visit Japan for training, standard procedure calls for the Branch Chief or Contact (who the student belongs to) to contact the WKO Office of the ideal time frame, dojo, and detailed information (name, dan/kyu, age, etc.) of the student. The WKO Office will confirm the content of the request with the Branch Chief/Contact of the dojo in Japan. In a case where an overseas student goes forth with his/her training in Japan without consulting the WKO Office, it would delay the response time of the WKO Office if an emergency happened to occur. To assure the safety of the students, we ask for everyone's cooperation in this matter.

Monthly Newsletter World Karate Organization

⑥. Centralization of communication between Overseas Branches

It is required that communication (related to events within the organization) between Overseas Branches and Japanese Branch Chiefs & Contacts be exchanged through the WKO Office. Translation of documents (Japanese⇔English) will also be managed by the WKO Office. In order to avoid any unnecessary problems and confusion, we ask for everyone's cooperation in the centralization of communication between overseas branches.

Other marks or calligraphy will be covered when the Tournament Organizing Committee judges that it is not appropriate.

- The competitors must cut their finger and toe nails, and are not allowed to wear anything around ankles or wrists. Neither necklaces nor earrings are allowed as they could hurt the opponent. Female competitors should wear a plain white T-shirt under the Dogi and bind their hair if necessary.
- Competitors and their seconds must follow all the rules, regulations and instructions given by the organizer. If the organizer finds the behavior rude, disrespected, and/or inappropriate, it will cause immediate disqualification.
