#### 1. Message from WKO President

Dear Branch Chiefs and Contacts,

Thank you for your continuous efforts for the further development of WKO. In this prolonged COVID-19 crisis, we are starting to see advancements in the infection prevention measures, such as the vaccine process and related strategies. However, the infection itself is continuing to spread, so we still need to take extra care in our personal measures to prevent infection. It also breaks my heart to see the news of natural disasters around the world caused by extreme weather and climate change. I wish to express my sincere sympathies to those that were affected by such disasters.

The Tokyo 2020 Olympics have started this summer. I would like to express my sincere respect towards the athletes, who have continued their hard training despite the many restrictions due to the COVID-19 crisis, and the related people who are organizing this tournament under strict preventive measures. For the athletes that were able to reach this stage of competition after a long period of effort and patience, I wish for them to carry out their best performance without any regrets, and I would like to take this opportunity to renew my appreciation towards the medical workers who are battling the COVID-19 crisis in Tokyo, the host city, and around the world.

The official dates for the 7<sup>th</sup> World Karate Championship in Weight Categories have been decided as September 24-25, 2022 and we announced the number of competitors for each region and the related application process. In Poland, the host country for this tournament, I imagine that the related members, led by Country Representative Remigiusz Karpinski, will further proceed with their preparation work in strong unity. The organization of the tournament, while following strict COVID-19 preventive measures, will constantly require a flexible approach to adjust to various occasions. I would like to express my sincere appreciation and respect towards the related people and their efforts. While imagining a scene, where the competitors continue their hard training with the goal to take part in the tournament, get selected in the fierce selection tournaments, and finally gather to compete for the world title, I would like for us to combine the strength of all countries and branches affiliated to WKO, and in the next 1 year, continue efforts to hold regional

selection tournaments, and contribute to the great success of the main tournament. I request for your kind cooperation towards the host country Poland and WKO Headquarters.

The European Championship was held on June 26-27. I am glad that the tournament was held successfully with the participation of 19 countries in the region, due to the efforts of the host country Georgia and the cooperation of the related members. I am sure that the comrades around the world were encouraged by the performance of the competitors that took part in the tournament, and the training they were able to carry out in the limited conditions to prepare for the event. Especially, the battle carried out by Valeri Dimitrov as a Budoka to secure his 20<sup>th</sup> victory in the region is remarkable, and I wish to express my sincere congratulations and praise towards his achievement. I appreciate the strong effort and unity demonstrated by Regional Representative Koen Scharrenberg, the host country Georgia, and all related members that contributed to the success of the tournament. Thank you very much.

In Europe, the organization of the EFKO Camp is being prepared, as a regional activity within the world standardization of Full Contact Karate, which is mainly led by WKO. Shihan Koen Spitaels is the main driving force behind this movement, and it is a good opportunity for Full Contact Karate members in the region to deepen their exchange through training. The participation of many well-known instructors from various Full Contact Karate groups have been announced on social networks. I hope that it will be a camp with high expectations and that it will be held successfully.

As mentioned in the beginning, in this prolonged COVID-19 crisis, we tend to become introverted, both mentally and physically. Let us defeat and overcome this global pandemic through our Full Contact Karate training, with a firm unshaking spirit, and by fulfilling the true meaning of the Kyokushin way. In Japan, we are in the middle of a very hot summer. I hope that all of you are doing well in your country and region. Let us take good care of our health, and further develop WKO as the strongest and largest organization in the world.

OSU

Kenji Midori

WKO President

### 2. Activities of Japanese Instructors & PR (from August 2021 omit titles from names)

Date	Member	Place	Purpose
<p>There are no international trips planned due to the COVID-19 situation.</p> <p><b>In consideration of the strict travel restrictions for arriving in/departing from Japan, it is extremely difficult to consider any invitations for Japanese instructors at this stage. We will announce at the appropriate timing, when the restrictions are eased and we can consider invitations for Japanese instructors again (will most likely be difficult until the Tokyo 2020 Olympics/Paralympics are finished).</b></p>			

### 3. Official dates of the 7WC in Weight Categories and relevant details

Based on a wish to secure a balanced and fair opportunity in the selection tournaments, a request to postpone the event to September 24-25, 2022 was made by the host country (Poland), and this was discussed and approved by the WKO Board. Please confirm the attached

documents for the relevant details, such as the competitors for each region, and the information announcement schedule (including the deadlines for various applications).

For the 8<sup>th</sup> WC in Weight Categories in 2025, we sent out the relevant information before the 12WC in 2019, for applications to be sent by the end of March 2020, but this was derailed due to the COVID-19 crisis and the postponement of the 7<sup>th</sup> WC in Weight Categories. We would like to resume this process, and please confirm the attached relevant documents. For those that are interested in hosting the 8<sup>th</sup> WC in Weight Categories in 2025, please send us the application form by December 31, 2021. The information presented by the applicants will be confirmed and screened at the WKO Board Meeting during the 7<sup>th</sup> WC in Weight Categories, in order to decide the host country for the next tournament.

#### 4. Request for reconfirmation of the WKO Grading Regulations

We would like to request for a reconfirmation of the attached WKO Grading Regulations, for there have been recent orders with inconsistencies from several countries, especially with insufficient time between grades. Please confirm the qualifications of the examinee very carefully before carrying out the actual exam, so that such cases can be avoided in advance. For the age and time between grades, even a shortage of 1 day is enough to make the exam invalid, so please take extra care in the checking process within the branch/country/region.

※Please note that WKO will charge you a **handling charge** to cover the receiving charge.

### • **Money Gram**

Currently unavailable due to extreme difficulty in receiving payments (since January 2019).

### ③. **Various Forms**

The WKO Office would like Branch Chiefs and Contacts to use the designated form when they contact us. We have:

- Order and Payment Form (for payment of grading fees, annual fees, membership fees)
- WKO Official Invitation Letter Form (for inviting Japanese instructors)
- Request Form for Invitation Letter (for whom needs Visa to enter Japan)
- Application Form for a Candidate of new Branch Chief & Contact

Although we understand that some Branches/Countries have their own method, the forms helped us to do administrative work efficiently, and we appreciate your kind understanding.

### ④. **Invitation of Japanese Instructors**

The WKO office receives numerous invitations for Japanese instructors every year. Standard procedure calls for the Official Invitation Letter to be sent to the WKO Office with the necessary information filled in. The invitation becomes official only when the letter arrives at the WKO Office. Please refrain from direct negotiations with Japanese instructors, for it will only lead to problems in the future. Finally, we would like for all to understand that an agreement based on direct negotiations will not be considered an official invitation.

### ⑤. **Acceptance of Students from Overseas Branches**

Every year, numerous students from overseas branches visit Japan for the purpose of training. When a student wishes to visit Japan for training, standard procedure calls for the Branch Chief or Contact (who the student belongs to) to contact the WKO Office of the ideal time frame, dojo, and detailed information (name, dan/kyu, age, etc.) of the student. The WKO Office will confirm the content of the request with the Branch Chief/Contact of the dojo in Japan. In a case where an overseas student goes forth with his/her training in Japan without consulting the WKO Office, it would delay the response time of the WKO Office if an emergency happened to occur. To assure the safety of the students, we ask for everyone's cooperation in this matter.

### ⑥. **Centralization of communication between Overseas Branches**

It is required that communication (related to events within the organization) between Overseas Branches and Japanese Branch Chiefs & Contacts be exchanged through the WKO Office. Translation of documents (Japanese⇔English) will also be managed by the WKO Office. In order to avoid any unnecessary problems and confusion, we ask for everyone's cooperation in the centralization of communication between overseas branches.

## 8. Current Status on Payment of Annual Fees as of July 30, 2021

Please confirm the attached list.
